PREPARATION INSTRUCTIONS - IMPORTANT INFORMATION

- Please remove all floor coverings (including pad and staples) before the installers arrive unless you have ordered this service.
- Please do not remove any tackstrip (smoothedge).
- Please remove all furniture from the room unless you have ordered this service.
- Please remove all small objects such as books, clothes, figurines, etc. Stereos, computers, etc., must be disconnected. Windmill Flooring will not be held responsible for damage caused by moving furniture or appliances.
- Please inform any neighbours that might be affected (ie. noise, wall vibrations, etc.) that they should remove any items that are attached to any shared wall that could be shaken during the installation.
- If the thickness of the new flooring requires the recutting of doors, this will be the customer's responsibility.
- Installers will not remove glass or hanging track doors.
- If there are heat pipes in your floor please inform installer prior to installation.
- Windmill will not be responsible for breakage
- of baseboards or damage to paint, walls or moldings. Please be prepared to touch-up painted walls.
- Please ensure heat and a power connection to the site.
- There will be an additional charge for the removal of material soiled by biological waste. Installers will not dispose of this material.
- Windmill does not warranty installations over existing underpad.
- Minimum \$150 + GST charge to glue down tackstrip
- Windmill does not guarantee installation start or finish times and will not be held liable for costs incurred that are beyond our control.
- Please be available for payment when the job is completed.
- 2 year warranty only applicable on full rates - 6 months warranty on discounted rates
- Payment terms are **Cash, Cheque, Visa or Mastercard.**
- **EXTRA FLOOR PREP TO BE QUOTED IF NEEDED**

**** This is an estimate only. A final quote will be done by the installer upon inspection of the job. ****

Your signature indicates that you have read and received a copy of the estimate and you have read and understand the preparation instructions above.

An adult over the age of 18 must be present at the start of the installation to approve the work order and any unforeseen extras. If not, the installer will do the appropriate work and the extra amount will be added to the invoice.
