PREPARATION INSTRUCTIONS - IMPORTANT INFORMATION

- Remove all furniture from the room unless you have ordered this service. Please remove all small objects such as books, figurines, etc. Stereos, computers, etc., must be disconnected. Windmill Flooring will not be held responsible for damage caused by moving furniture or appliances.
- Remove all baseboards where vinyl is being installed. Windmill will not be responsible for breakage of baseboards or damage to paint, walls or moldings.
- Please be prepared to touch-up painted walls.
- Disconnecting of any gas appliances should be completed by a qualified technician.
- Please inform any neighbours that might be affected (ie. noise, wall vibrations, etc.) that they should remove any items that are attached to any shared wall that could be shaken during the installation.
- Installers will not remove glass or hanging track doors.
- There will be a charge for a vinyl seam sealer kit where applicable.
- Standard cove base colors are white/grey/beige. All custom colors (and 6") to be charged by the box.*
- There will be an additional charge for the removal of material soiled by biological waste. Installers will not dispose of this material.
- Windmill does not guarantee installation start or finish times and will not be held liable for costs incurred that are beyond our control. Windmill does not warranty loose lay installations.
- Please be available for payment when the job is completed. Payment terms are Cash, Cheque, Visa, Mastercard, E-transfer.
- *Toilet to be re-installed by Mr. Rooter - (604) 433-5555. Included is a new wax seal and structural bolts. Price is approx. \$300 plus GST, any other supplies needed will be extra. The warranty will be with Mr. Rooter or the plumbing company that re-installs the toilet.**

**** Estimate only. A final quote will be done by the installer on arrival. ****
